STATEMENT OF PROBABLE CAUSE  
For Probable Cause Hearing

I was called on October 26, 2004 while working for the Massachusetts Department of Environmental Protection. I observed John C. Buezing Digging at an Archaeological Site and Removals Archaeological Resources from the Hole. Buezing had dug the hole and removed 13 stone chips/fragments as well as a clay stone (possibly a spearhead). The hole, the hole's wall, and the hole's floor were dug with a shovel (large hole) and a shovel Buezing had started in the area.

I, the undersigned, being a deputy clerk of said court, hereby certify that the foregoing is a true and correct copy of the statement of probable cause as given to me by the complainant.
